

Chalk Mineral Paint

Beautiful matte chalky finish. Dries in 15 minutes and cures in 21-30 days. 2 coats for full coverage. Seal with waxes or clear coats.

Dixie Belle paints make it so easy to update your furniture and home decor! Just clean with White Lightning and paint! This paint goes a long way. Start with a damp brush and it will go even further. One 8oz jar can paint a small dresser.

Comes in 64 colors

Size: 8oz, 16oz, 32oz, and 1 gallon

HOW TO USE

Chalk Mineral Paint

1. Clean with White Lightning
2. Dampen your brush & paint
3. Darker colors usually need only one coat, but lighter colors may need two coats.
4. No waxing, sealing, or priming required.
5. Takes 15 minutes to dry.
