

Patina Paint

Create REAL Rust and Patina with our Patina Paint!

Choose between Iron, Copper and Bronze for 3 different results! After one coat of Dixie Belle Paint, apply one coat of Patina Paint, let dry.

Apply second coat of Patina Paint and while still wet, apply a Patina Spray.

Sit back, enjoy the magic and watch the rust begin!

Patina Paint incorporates real metal and naturally reacts as the patina spray is applied

These paints come in 8 oz containers. Iron, Copper, and Bronze
