

Nutri-Tree & Shrub

Targeted Biostimulant + Fertilizer

Nano-sized nutrients specifically formulated to support soil biology and feed ornamental trees, shrubs and flowers.

Nutri-Tree & Shrub is a liquid fertilizer and biostimulant specifically formulated to help trees and shrubs flourish. The liquid

solution contains an ideal balance of NPK, elicitors, enzymes and NanoRelease™ Technology that plants need resulting in a stronger root system, abundant produce, and richer foliage. Each application is spoon feeding the plants and the benefits are immediately absorbed through roots and leaf structure with minimal waste. Nutri-Tree & Shrub resists photochemical breakdown from the sun's rays and maintains a neutral charge, preventing unwanted reactions with other chemicals. Nutri-Tree & Shrub is ideal for nurseries, flower beds, gardens, trees, shrubs, new plantings, hemp & cannabis, or hydroponics.
